AMENDMENT D

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action of July 2, 2001,
please amend the above-identified application as follows:

In the specification:

On page 11, lines 9-18, change the paragraph to read as
follows:

E1
The screen pop may include any information collected from the user and also an identifier of the web page where the problem occurred. Transferring information to the agent 34 regarding where the problem occurred allows the agent 34 to view the same web page viewed by the user when the problem occurred. Further, the transfer of the collected information to the agent 34 allows the agent 34 to complete the transaction directly or to answer the user's question and allow the user to hit the "back" key on his Internet screen and return to the previous page 22.
